April 8 & 9, 2016
Hopkinsville, Kentucky**

Please join us for the 2016 LWV State Council, hosted by the LWV of Hopkinsville, for a fun evening, workshops on important issues and fellowship with League members from across the state. Local presidents along with two delegates from each League, and members of the Kentucky State Board, will make decisions for the League for the next two years, electing new directors and voting for the programs for the coming year. Don't forget to bring items for the Silent Auction, a fun way to raise money for the work of the state League.

Council will be held at the Hampton Inn, 210 Richard Mills Drive, 270-886-8800. Ask for Mark or Gwen and let them know you are with the League to get the rate of \$109.
